

## **TWO MASTER OF PLANNING (MPS) POSITIONS**

**at the School of Planning, Dalhousie University, Halifax, Canada**

Dalhousie Transportation Collaboratory (DalTRAC) invites applications for two Graduate Assistantship positions for Master of Planning studies, to start in September 2013.

The Graduate Assistants will be expected to contribute in developing innovative approaches for the collection of travel and mobility data, spatial analysis, estimation of sustainable transportation indicators, transportation planning and policy analysis, and community engagements for transportation projects.

DalTRAC is a multi-disciplinary transportation research unit, sponsored by the Canada Foundation for Innovation, Natural Sciences and Engineering Research Council, the Province of Nova Scotia, and the Halifax Regional Municipality. It is a new research facility dedicated to transportation studies, planning and policy analysis. The Graduate Assistants will be working under the supervision of Dr. Ahsan Habib.

### **Eligibility**

- A Bachelor Degree in urban planning, community design, geography, engineering, environmental sciences and related disciplines
- Must be eligible for membership in Canadian Institute of Planners (CIP)
- Excellent command of both written and spoken English
- Strong interest in transportation planning and sustainable transportation issues

### **Application**

Interested candidates are invited to send a resume/CV, statement of research interest, and a copy of transcripts to Dr. Ahsan Habib ([ahsan.habib@dal.ca](mailto:ahsan.habib@dal.ca)).

Review of applications begins immediately and will continue until the positions are filled. Only suitable candidates for the positions will be contacted.
