RefWorks Sessions

RefWorks can simplify the task of formatting references and producing a bibliography in your chosen citation style. In this 1 hour hands-on session, we'll show you how to:

- Create a RefWorks account
- Import references from a database search
- Add citations to your Word document with Write -N-Cite
- Generate a final bibliography
- Manage and organize your research more effectively
- Some advanced RefWorks features(RSS, RefShare, RefGrabIt)
